

➔ STAR SM-S230i

The Most, Well-Connected Mobile Printer on the Market with Apple iOS / Android Auto-Detect Pairing

New generation, super compact mobile printer filled with heavy weight features including auto detect pairing with either an Apple iOS or Android device, saving time and simplifying set-up.

Star has continued this philosophy with Star's Auto Connect feature for automatic Bluetooth connection with previously paired iPads or iPhones, making it perfect for everyday use in busy environments from queue busting to mPOS receipting in retail & hospitality. The simple "Drop-In & Print" paper loading, whether on the counter or on your belt, along

with the long lasting battery life of 13 hours and automatic sleep mode for extended battery life all helps towards seamless POS transactions.

2"/58mm Bluetooth Mobile Printer

High speed print at 80mm per second

Compact & durable design (1.5m drop test)
